Introduction

The Summer 2002 Official Registration Statistics report is similar to last summer’s report in that May session enrollments are included. A separate May session 2002 report was produced and those numbers are also included in this Summer Term report.

- Data represent end of term enrollments based on the Twin Cities campus calendar.

- The report copy is available electronically at http://www.irr.umn.edu/.

- The raw data table for the production of the report is available for ad hoc query by authorized users through the IDEA system. The table name is ps_dwsa_stix_1025.
